Congratulations to Ieuan Jones and Scott Kennett who received their awards as 2009 South East Centre champions in their respective classes.

Dates for your diary

<p>Kent Youth Trial (in conjunction with Double Five trials Club) 21 February, 10.30am</p>	<p>Location: Cudham Frith Farm, Grays Road, Westerham, TN16 2JB Entry fee £10.</p>
<p>Kent Youth Practice day There will be a Kent Youth Practice day in March. We are hoping to secure use of a new piece of land near Maidstone. As soon as I know details I'll add to the web site and email round. The practice day is likely to be combined with some clearing. This land is more suited to beginners and yellow/red riders at the moment, but there are tree trunks and rocks that we can add for the future.</p>	
<p>Beginner and Wobbler Trial 18th April, start 10-10.30am</p>	<p>Run by Double Five Club. Location: Chads farm, Ridley, Kent. All Kent Youth riders welcome. Chad's Farm has a large field area so it suitable for less experienced riders to practice their skills.</p>

Turn into, and proceed slowly along this narrow road for about 400m turning into the field entrance on the right. This is the only entrance to the trial.

Results Kent Youth Trial 28 December 2009

The yellow route was very competitive with Luke, Vince and Daniel all riding very well. Luke emerged the winner dropping just 27 marks with an excellent last lap dropping just one mark. Vince and Daniel were close behind all the way; Vince losing just 33 and Daniel 43.

Hayden on the red route had bike troubles.

The blue route and the white route proved to be very difficult with high scores on both. Both Calan and James had just moved up to the blue route, and they both battled on to finish on 120 and 84 respectively which was excellent considering the hard routes and slippery conditions.

Jamie and Ryan both completed the very difficult white route with the scores very close at 101 and 108.

Lauren used the opportunity to practice and is improving all the time, unfortunately her bike was having clutch problems at the end.

Many thanks to all the observers who stood in the cold; it does make a difference to have observed sections.
